

# Giżycko

*is located in Masurian Lake District. The town isn't big and it has about 30 thousands residents. It is called a summer capital of Masuria, because on holidays there are lots of tourists, who admire beauties of the town.*

**II Liceum Ogólnokształcące  
im. Gustawa Gizewiusza  
w Giżycku**

# Boyen Fortress

is one of the most popular places in Gizycko. That old structure was built in the 19th century to defend the town during the first and second WW.

# Rotary bridge

*The bridge was built in 1898 by German and Polish architects to ensure access from the city to the Boyen fortress.*

## Water tower

Water Tower was built in 1990s. It gave residents of Gżycko running water. This monument is located on a small hill in Warszawska street. The tower is built from red brick in Gothic Style.

# The beach

*The beach is one of the most popular places in Gżyzko. There are a lot of tourists on holiday. City events are organized here. There are plenty of clubs and bars. This is one of the most favorite places for residents and tourists.*

## *Cruise by the lake*

*Because of our town location which is between two lakes: Niegocin and Kisajno in summer season we can take part in the cruise. It guarantees unforgettable experiences and great entertainment.*

# Krutyń

*Krutyń is one of the most famous waterways, repeatedly referend to the most beautiful canoe trail in Europe. The length of Krutyń is 99 kilometers while the surface is 638 square kilometers*

*Thanks for watching*
